## **3 Buildings Wired For Controlled Demolition**

Stop and consider this all you 911 'truthseekers' out there.

THREE buildings were wired for CONTROLLED DEMOLITION.  
TWO were hit by planes. The third was SUPPOSED to be as well!

The third, building #7 was where the operation was being run from  
and the Illuminists planned to take out their helpers.

But something went WRONG with their plans and so they concocted  
another FAIRY tale saying Flight #77 was headed for the White House.

Mark voiced this on Friday's show and it makes perfect sense!

The globalists were fully planning on betraying those who helped stage  
911 and murder them as well!

It's WHAT THEY DO PEOPLE! The black shirts kill off the brown shirts.
